

## Coronavirus / Covid-19 Advice: update 4th September 2020

Following Government advice and the consequential restrictions placed on travel and movement, we have made the following provision for persons needing **fingerprinting** for overseas Criminal Records checks.

In addition, we have substantially reduced cost to just **£49.00** + VAT.

A small charge – much lower than anyone else, including Police services – is made for additional sets; *other organisations (including the Police) often charge from £25 - £37.50 per additional set without telling you.*

We are the **only** organisation in the UK providing this facility to this extent

### What to Do

We have resumed service in a safe manner and have judged risk accordingly.

There are a few appointments left in the week commencing 7<sup>th</sup> September and w/c 14<sup>th</sup> September 2020 and we will endeavour to fit you in as best we can; additional times are being allocated with extra staffing to cope with demand

Our Central **London office** is now reopened, with an additional facility in **Surrey**

**Visits to clients offices are now available and are becoming heavily booked**

*Home visits are available at the same time but only under strict provisos for Health and Safety*

There is a high demand for appointments, and we will make bookings on a first come, first allocated basis.

*We will write to you confirming the appointment, which can be shown to application authorities as your having a booked appointment should you wish*

**In the event that the UK lockdown rules change or we receive alternate advice, booked appointments will be postponed on block to appropriate days in the future**

**PLEASE TELEPHONE 020 7158 0332 or 01483 200999 to reserve a slot.** We are experiencing high demand already and, to our knowledge, we are the **only** remaining organisation providing any form of facility now in the UK
